

Club Car Serial Numbers

Club Cars from 1981 have the serial number just under the passenger side glove box. These models have only one brake pedal. The first letter or letters in the serial number denote the type of vehicle.

A or AA	Electric
AQ	Electric with IQ
AG	Gas

The first two numbers denote the year

The rest is your personal serial number.

If your car has 2 brake pedals it is a 1975 to 1980. The serial number is located under the seat on the I-beam by the battery bank.
